

# International Media Festival for Prevention

Dakar 2027

## The International Media Festival for Prevention 2027 has started!

The International Media Festival for Prevention (IMFP) 2027 will take place as part of the 24<sup>th</sup> World Congress on Safety and Health at Work, held in Dakar, Senegal from 26 - 30 April 2027.

The Media Festival showcases outstanding films and multimedia productions from around the world that address safety and health at work. It offers a unique platform for participants to showcase their work to a distinguished international audience of leading experts in occupational safety and health.

### Submissions are now open!

The Media Festival welcomes a broad range of media formats—including films, music videos, software, apps and other multimedia productions—related to occupational safety and health and produced from **January 2023** onwards. Entries may be submitted by national and international organizations, enterprises, institutions, agencies, filmmakers, developers and individual professionals.

Entries for the IMFP can be submitted from **1 April to 31 August 2026**. We look forward to discovering your most inspiring and impactful productions!

### Your production could win an award

An international jury will review all submissions and select the winners of the Media Festival. The awards will be presented during the IMFP Special Media Session at the World Congress, offering you the chance to showcase your work in front of a large, distinguished international audience.

For further information or enquiries regarding the Festival, please contact the IMFP Office at [imfp@bgetem.de](mailto:imfp@bgetem.de)
